Thinkin' 'bout the day when we first met
The way you made me feel and how you left
What I wouldn't give just to be more
To be something that you hold and you adore

Refrão:

Look in my eyes
See what you mean to me
Feel the beat of my heart
I need to believe that
I could walk through firey burnin' love
But you still wouldn't feel the heat
Feel the heat
It burns in me
But you see through me

I could walk through firey burnin' love (you see through me)
I could walk through firey burnin' love

You always know exactly what to say
To pull me in before you walk away
But I don't wanna' go through this again
To act like I'm okay just being friends

Look in my eyes

See what you mean to me
Feel the beat of my heart
I need to believe that
I could walk through firey burnin' love
But you still wouldn't feel the heat

It burns in me
But you see through me

Oh now, I'm calling out
I don't have the words to say
Maybe in another life it could be another way
In another life you'll stay

Look in my eyes

Feel the beat of my heart
I need to believe that
I could walk through firey burnin' love

But you see through me
