tom:

Intro: **Bb** **Fm** **Ab** **Eb**
Bb **Fm** **Ab** **Eb**

Bb **Fm**
Oh, I've been pacing up and down this corridor
Ab **Eb**
Waiting for you to swing open the door
Bb
Is there something that I'm missing
Fm
Or is it too much that I'm showing?
Ab **Eb**
I know some say "Fight him away", but me I say "Come in"

Fm
So I smile a little too much
Ab
And the glass, it comes quick to the mouth
Cm **Eb**
And I go on and on sometimes just like the rest of us

Fm
So I smile a little too much
Ab
And the glass, it comes quick to the mouth
Cm **Eb**
And I go on and on sometimes just like the rest of us

Bb **Fm**
It must be something deep within that I need to prove to you
Ab **Eb**
Maybe I'm not what you expected to find
Bb **Fm**
Yes, I'm all out on display and what I've spent a life to
gather
Ab **Eb**
In a night I'll give away, yes in a night I'll give away

Fm
So I smile a little too much
Ab
And the glass, it comes quick to the mouth
Cm **Eb**
And I go on and on sometimes just like the rest of us

Yes, I smile a little too much

And the glass, it comes quick to the mouth
