                                                     \mathsf{Am}
I've been so many places in my life and time
                                                       Fm7
I've sung a lot of songs, I've made some bad rhyme
I've acted out my life in stages.
With ten thousand people watching
Dm7
C F7
But we're alone now and I'm singin' this song for you
    Am
                Am7
I know your image of me is what I hope to be
I've treated you unkindly but baby can't you see
There's no one more important to me
                                          Em7
         Dm7
Baby can't you please see through me
'Cause we're alone now and I'm singin' this song for you.
You taught me precious secrets of the truth, withholdin'
You came out in front and I was hiding
                     Am7
                              F7
```

But now I'm so much better, and if my words don't come
                                  Fm7
Listen to the melody 'cause my love's in there, hiding
     love you in a place where there's no space or time
                         Fm#7
I love you for my life, you are a friend of mine
And when my life is over, remember when we were together
              Em7
We were alone and I was singin' this song for you
You taught me precious secrets of the truth, withholdin'
You came out in front and I was hiding;
                     Am7
But now I'm so much better, and if my words don't come
together
Listen to the melody 'cause my love's in there, hiding
  Dm7
                          Em7
           F7
We were alone and I was singin' this song for you
          C7M
We were alone and I was singin' this song, singin' this song
