

Lou Rawls - The Shadow Of Your Smile

Tom: G

Intro: A7 Am D D7 D7 G Cdim B7

The shadow of your smile when you are gone
Will color all my dreams and light the dawn
Look into my eyes, my love, and see
All the lovely things you are to me
Our wistful little star went far too high
A teardrop kissed your lips, and so did I
Now when I remember spring

All the joy that love can bring
I will be remembering the shadow of your smile
Interlude: Our wistful little star went far too high
A teardrop kissed your lips, and so did I
Now when I remember spring
All the joy that love can bring
I will be remembering
The shadow of your smile
