Louis Armstrong - A Foggy Day (In London Town)

Tom: G

```
   G                          Am
I was a stranger in the city;

G   G7             Am      D
Out of town were the people I knew.

G                          Gb7
I had that feeling of self-pity --

        Bm           Bm         Bm-  E7
What to do?  What to do?  What to do?

     Am            Cdim           G
The outlook was de - cid - ed - ly blue;

G       Bm                  Am    Am      E
But as I walked through the foggy streets alone,

Fdim  Bm         Fdim     Am      D7        G   Am   G
 It turned out to be the luckiest day I've known.

D7  G   Fm Am          D     Cdim
A foggy day     in London town

G   G Gm Gm A7 A7  D
Had  me   low     had  me down.

G Em       G     C Cm
 I  viewed the morning with  alarm;

The British mu - se - um had lost its charm.

D7   G      Fm             Am         D
How long, I wondered, could this thing last?

Cdim     G     Gm       Gm  A7   D
But the age of mir - a - cles hadn't passed,

    Dm         G7   C       A/5-
For sud - den - ly I saw you there --

Em  Am-    G     C     G
And through foggy London town

    C       Em    A Am   D7     G - G - D7 - G7   C7   D7
The sun was shin - ing ev' - ry - where.
