

# Louis Tomlinson - Defenceless

tom:  
 B (forma dos acordes no tom de G )  
 Capotraste na 4ª casa

I come runnin' to you like a moth into a flame  
 You tell me, "Take it?easy,"?but it's easier?to say  
 Wish I didn't need so?much of you  
 I hate to say, but I do  
 We're sleepin' on our problems like we'll solve them in our dreams  
 We wake up early morning and they're still under the sheets  
 I'm lost in my head, I'm spinnin' again  
 Tryna find what to say to you

[Pré-Refrão]

Been up all night  
 All night runnin' all my lines  
 But it?s only the truth  
 Been up all night  
 Not sure how to say this right  
 Got so much to lose

[Refrão]

Never been so defenceless (oh)  
 Never been so defenceless (ooh)  
 You just keep on buildin' up your fences (oh)  
 But I've never been so defenceless (ooh)  
 (Ooh, ooh, ooh)  
 (Ooh, ooh, ooh)

You just keep on buildin' up your fences (oh)  
 But I've never been so defenceless (ooh)  
 (Ooh, ooh, ooh)  
 (Ooh, ooh, ooh)

You just keep on buildin' up your fences (oh)  
 But I've never been so defenceless (ooh)  
 No, you don?t have to keep on being strong for me and you  
 Acting like you feel no pain, you know I know you do  
 And I can't get inside when you're lost in your pride  
 But you don't have a thing to prove

 But I've never been so defenceless (ooh)  
 I hope that I'm not asking too much  
 Just wanna be loved by you (don't you be so defensive)  
 And I'm too tired to be tough  
 Just wanna be loved by you
