

Louis Tomlinson - Kill My Mind

Tom: Eb

[Primeira Parte]

You're a nightmare on the dancefloor
And you hate me, and I want more
You're a total distraction
While I'm waiting for your reaction (ah, ah, ah)

[Pré-Refrão]

The devil in my brain, whispering my name
I can hear it sayin' (ah, ah, ah)
I can ease the pain, just a little taste, babe
And ya won't let go of your hold on me

[Refrão]

You kill my mind, Raise my body back to life
And I don't know what I'd do without you now
You kill my mind, Raise my body back to life
And I don't know what I'd do without you now

[Segunda Parte]

Keep me living from the last time
From a prison of a past life
On a mission just to feel like
When you kissed me for the last time (ah, ah, ah)

[Pré-Refrão]

The devil in my brain, whispering my name
I can hear it sayin' (ah, ah, ah)
I can ease the pain, just a little taste, babe
And ya won't let go of your hold on me

[Refrão]

You kill my mind, Raise my body back to life
And I don't know what I'd do without you now
You kill my mind, Raise my body back to life
And I don't know what I'd do without you now

You kill my mind, Raise my body back to life
And I don't know what I'd do without you now
You kill my mind, Raise my body back to life
And I don't know what I'd do without you now

[Ponte]

Kill my, kill my, kill my
Kill my, kill my, kill my
Kill my, kill my, kill my
Kill my, kill my, kill my

[Refrão]

You kill my mind, Raise my body back to life
And I don't know what I'd do without you now
You kill my mind, Raise my body back to life
And I don't know what I'd do without you now
