

# Louis Tomlinson - Two Of Us

tom:

[Primeira Parte]

It's been a minute since I called you  
Just to hear the answerphone  
Yeah, I know that you won't get this  
But I'll leave a message so I'm not alone

This morning I woke up still dreaming  
With memories playing through my head  
You'll never know how much I miss you  
The day that they took you, I wish it was me  
Instead

[Pré-Refrão]

But you once told me, "Don't give up  
You can do it day by day"  
And diamonds, they don't turn to dust or fade  
Away

[Refrão]

So I will keep you, day and night, here until  
The day I die  
I'll be living one life for the two of us  
I will be the best of me, always keep you  
Next to me  
I'll be living one life for the two of us

Even when I'm on my own, I know I won't be  
Alone  
Tattooed on my heart are the words of your  
Favourite song  
I know you'll be looking down, swear I'm  
Gonna make you proud  
I'll be living one life for the two of us

[Segunda Parte]

I could feel your blood run through me  
You're written in my DNA  
Looking back in every mirror  
I know you'll be waiting, I'll see you  
Again

[Pré-Refrão]

One life for the two of us

But you once told me, "Don't give up  
You can do it day by day"  
And diamonds, they don't turn to dust or fade  
Away

[Refrão]

So I will keep you, day and night, here until  
The day I die  
I'll be living one life for the two of us  
I will be the best of me, always keep you  
Next to me  
I'll be living one life for the two of us

Even when I'm on my own, I know I won't be  
Alone  
Tattooed on my heart are the words of your  
Favourite song  
I know you'll be looking down, swear I'm  
Gonna make you proud  
I'll be living one life for the two of us

[Ponte]

I promised you I'd do this  
So all of this is all for you  
Oh, I swear to God you're living  
Through everything I'll ever do

[Refrão]

So I will keep you, day and night, here until  
The day I die  
I'll be living one life for the two of us  
I will be the best of me, always keep you  
Next to me  
I'll be living one life for the two of us

Even when I'm on my own, I know I won't be  
Alone  
Tattooed on my heart are the words of your  
Favourite song  
I know you'll be looking down, swear I'm  
Gonna make you proud  
I'll be living one life for the two of us
