

# Love and Rockets - All In My Mind

Tom: **C**  
Intro: **Am C Am G**

**C G**  
Walk around so cold  
So cold, so lonely  
Or lay in bed wondering  
What to do with time

You've got no sense of fun  
Until you know you've won again

**F C**  
And yet you feel so much  
You feel so much inside

**G**  
**C G**  
You want to rip all the  
Jewels off all the idiots' backs so badly  
You scream give me what I've always missed  
Give me a good time

But if you look into your mirror  
You'll see that nobody

**F C**  
Has ever ripped you off  
It's all in your mind

**G**  
**C G**  
Her beauty can only  
Ever be skin deep  
But if I'm honest  
That's all I ever really need

So throw us some flowers  
So I'll give you some songs and sunshine

**F C**

And if you give me an hour  
I'll show you how you feel

**G**

**F G**  
Ohh baby, ohh I'm much too lazy  
Ohh

**C G**  
it's all in my mind  
So don't be unkind  
It's all in my mind  
It's all in my mind

**C G**  
Sometimes you really don't  
Really don't, really don't, know what I mean?  
Sometimes you really don't  
Really don't, really don't know what I need?

I say I've got no sense of fun  
Until I know I've won again

**F G**  
And how do you think  
Yes how do you think that feels  
So, just give me an hour  
I'll show you how you feel

**F G**  
Ohh baby, ohh I'm much too lazy  
Ohh baby,

**C G**  
ohh it's all in my mind  
So don't be unkind  
It's all in my mind  
It's all in my mind  
It's all in my mind
