

# Love & The Outcome - Heart Like You

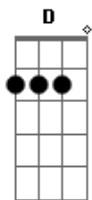

Tom: D

Intro: D Em Bm G

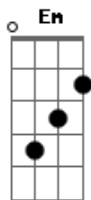

Burn bright in my life  
 Burn away the things I hold tight  
 Give me eyes to see  
 Your kingdom the way You want it to be  
 What can be worth more than You?  
 What do I have I wouldn't lose  
 If it means You and I look more alike? That's what I choose  
 I'd give up the world to find my soul  
 Pour out my life, give You control  
 I just want to be what You want me to be  
 I just want a heart that's true  
 A heart like You (a heart like You)  
 I just want a heart like You (a heart like You)  
 As Your ways take shape  
 All my guilt and shame start to fade  
 And Your love takes their place  
 I become a well of Your grace, Your grace

I'd give up the world to find my soul  
 Pour out my life, give You control  
 I just want to be what You want me to be  
 I just want a heart that's true  
 A heart like You (a heart like You)  
 I just want a heart like You (a heart like You)  
 I don't mind the price it costs  
 I will count all I have as loss  
 When this fades away, what's true remains  
 What can be worth more than You?  
 What do I have I wouldn't lose?  
 I'd give up the world to find my soul  
 Pour out my life, give You control  
 I just want to be what You want me to be  
 I just want a heart that's true  
 A heart like You (a heart like You)  
 I just want a heart like You (a heart like You)  
 I just want a heart like You (a heart like You)  
 I just want a heart like You (a heart like You)
