

Love Ghost - Angelic

tom:
Capostrate na 4ª casa
Intro: Em G C

[Primeira Parte]

This is the last time I will tell you
All the unsaid words in my head
Every time I open my heart to you
It just ends in regret
But I don't care 'cause this is all
I know how to do
Yeah, It'll hurt me but we're past the
Point
Of open wounds

[Pré-Refrão]

I still dream of you
Lose my mind for you
Hope you love me too
But I wake up alone
In a hotel room
Where the walls are blue
As I think of you

[Refrão]

And I just wanna die now
You don't get it
Something 'bout you
Is so magnetic
Complicated love
Is so angelic
And I don't know
Just where I'm headed
Somewhere in between
Old Hell and Heaven
Floating in a dream
I miss your presence
Bullet shelled tears
I can't forget it
Love will kill me
If I let it

Acordes

[Verso 2]

If I could find you, I would bring you
Down
To the depths of hell with me
I think you'll love it here feeling
Warm inside
Watching, the devil cry
Visions of your shadow, every time it
Rains down
In my 'hood
'Nd I think it follows me, 'cause I
Never told you
How much I miss you

[Pré-Refrão]

I still dream of you
Lose my mind for you
Hope you love me too
But I wake up alone
In a hotel room
Where the walls are blue
As I think of you

[Refrão]

And I just wanna die now
