Em
No more flirt after some days
Bm
No more feels upon the shades
Am
I keep yelling heartbeat sound
C
Rising love on the streets ground

Em
Buying pills until I die
Bm
By the dreams I felt denied
Am
All alone just passing by
C
All the days I've been so kind

Em
No I don't need no more time
Bm
Just to know how I survived
Am
Without hearing heartbeat sound
C
Bleeding love for the all town

Em
And babe I know just how time
Bm
As come and flowed for life's
Am
But I'm killing my soft bound
C
Bleeding love and heartbeat sound

Em
And I know I can rise you more
Bm
Just to get up in the floor
Am
I'd rather feel this way
C

Than to die and feel the pain

Em
No I don't need no more time
Bm
Just to know how I survived
Am
Without hearing heartbeat sound
C
Bleeding love for the all town
