

Love Never Dies - Look With Your Heart

tom:

G

Em C

Love's a curious thing
It often comes disguised
Look at love the wrong way
It goes unrecognized

D7 G

So look with you heart
And not with your eyes

Am

The heart understands
The heart never lies
Believe what it feels
And trust what it shows!

Am D7

Look with your heart
The heart always knows!
Love is not always beautiful
Not at the start
So open your arms

G

And close your eyes tight
Look with your heart
And when it finds love
Your heart will be right

Em C

Learn from someone who knows
Make sure you don't forget
Love you misunderstand
Is love that you'll regret

D7 G

So look with you heart
And not with your eyes
The heart understands

Am D7

The heart never lies
Believe what it feels
And trust what it shows!

Am D7

Look with your heart
The heart always knows!
Love is not always beautiful
Not at the start
So open your arms

G

And close your eyes tight
Look with your heart
And when it finds love
Your heart will be right

D7 G

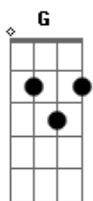

Mother, look with your heart
And not with your eyes
The heart can't be fooled
The heart is too wise!
Forget what you think
Ignore what you hear!
Look with your heart!
It always sees clear
Love is not always beautiful
Not at the start
But open your arms

G

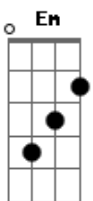

And close your eyes tight
Look with your heart
And when it finds love
Your heart will be right
