

Lovejoy - Taunt

tom:

Intro: C7M G7M Bm7 G7M

[Primeira Parte]

She's always asking 'Am I alright?'
As if auspicious saw in my pint
I find the answer or a good night
Thank god that time is short
And yes you always do that one thing
When you wrinkle up the nose bridge
I'm trying to figure out what that meant
I took it as a taunt

[Refrão]

Remember when that night at school
Oh did anybody ever say no to you
Oh did anybody ever say no to you, woah-oh
I don't think I have a clue
Cause oh did anybody ever say no to you
Oh did anybody ever say no to you, woah-oh

[Segunda Parte]

You're always trying to leave the table
Phone calls, toilet breaks, unstable
And don't you think we can all tell
You're insecure, you're insecure

I guess I always knew that one thing
When I get too drunk and jump in
To figure out what makes your brain tick
I'm a listener, I'm a listener

[Refrão]

Remember when that night at school
Oh did anybody ever say no to you
Oh did anybody ever say no to you, woah-oh
I don't think I have a clue
Cause oh did anybody ever say no to you
Oh did anybody ever say no to you, woah-oh
Woo!
I don't think so
Cause I don't think so

[Final]

Forget the number for the cab call
As you're dashing out the front door
You claim to try to dodge the catcalls
Thank god the time is short
And yes you always do that one thing
'Cause when you throw
And drench me under, your drink
I'm trying to figure out what that means
I took it as a taunt
