Bbm (forma dos acordes no tom de Am)
Capostrate na 1ª casa

[Solo Intro:]

You know I met you in the dark, it was a Saturday night
When I'ma seeing you just dancing in the middle of the crowd
There was something about you cause you got stuck in my mind
Stuck in my mind
Stuck in my mind

I thought I'd give it a go and I started talkin' to you
I don't know what I said, but the next thing I knew
Is that I held you in my arms and you asked "what we should do"
What should we do
What should we do

[Pré-Refrão]

I said, you can do what you want to with me, yeah I won't mind
As long as you stay with me, I'm alright

[Refrão]

I wanna hold ya (ooh-ooh)
I wanna hold ya (ooh-ooh)

F G Am G

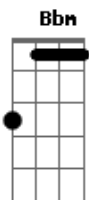

You got those red lips blue eyes black skinny jeans
And every room you walk into you're always settin' the scene

I wanna
Hold ya
Hold ya

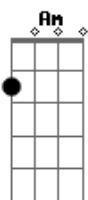

[Segunda Parte]

We went out of the club and we started walkin' the streets

I remember thinkin' is this really happenin'
Happenin'
Happenin'

I never thought I'd meet someone so beautiful
I couldn't quite believe it, it was magical
Just kissin' under streetlights on our way back home
Our way back home
Our way back home
