

Loving Caliber - Just One Kiss

tom:

Eb

I did a lot of bad things **Eb**
Never did I give in **Bb**
Just 'cause the thought **Cm**
Of being vulnerable **Ab**
Made me feel less than I am **Eb**
I have never felt home **Bb**
'Til you entered my door **Cm**
And from that moment I knew **Ab**
That our home is whatever you choose **Bb Cm Ab**
I still think about you

Eb
The best thing I did

And I want you to know **Bb**
Was letting you in

From that moment I knew **Cm**
That you're all I missed **Ab**
Baby, it took just one kiss **Eb**
'Cause here in your arms

I can finally let go **Bb**
The rest of the world is outside

When you make sure **Cm**
I'm all you missed **Ab**
Baby, it takes just one kiss

Bb Cm Ab Eb
Oh, ooh
Bb Cm Ab Eb
Oh, ooh

Eb
The best thing I did

And I want you to know **Bb**
Was letting you in

From that moment I knew **Cm**
That you're all I missed **Ab**
Baby, it took just one kiss **Eb**
?
Eb
Many years have run by **Bb**
Many tears have dried out **Cm**
I know that I will be with you **Ab**
As long as you still want me to **Eb**
All the things we've been through **Bb**
Everything's that's me and you

Cm
There isn't anything else that I
Wished I had done to be true **Bb Cm Ab**
Yeah, that's the thing about you

Eb
The best thing I did

And I want you to know **Bb**
Was letting you in

From that moment I knew **Cm**
That you're all I missed **Ab**
Baby, it took just one kiss **Eb**
'Cause here in your arms

I can finally let go **Bb**
The rest of the world is outside

When you make sure **Cm**
I'm all you missed **Ab**
Baby, it takes just one kiss

Bb Cm Ab Eb
Oh, ooh
Bb Cm Ab Eb
Oh, ooh

Eb
The best thing I did

And I want you to know **Bb**
Was letting you in

From that moment I knew **Cm**
That you're all I missed **Ab**
Baby, it took just one kiss **Eb**
