

Low Roar - Bones

tom:

[Ryan Karazija]

Bm A
First of March, it's clear to me
Bm G
It's something that's uncomfortable
Bm A
Your body has a way with me
Bm G
But I'm exactly where I wanna be
Gbm Em
But I'm a long way from home

[Jofridur Akadottir]

Bm A
I know your voice, I know your face
Bm G
This is something I cannot replace
Bm A
Give me hope and give me doubt
Bm G
Well I loved you then but I don't love you now
Gbm Em
I'm a long way from home
