

Low Roar - Just A Habit

tom:

Gb

Could you point me towards
A quiet gathering
Full of bugs and holes
Where any word said to you
Holds a liquored, puzzled truth

It's just a habit
It's just a habit
It's just a ha... ..bit

(Gb A E)

Gb Ab A

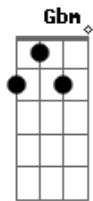

If I slur a bit
It's just because I'm confused
Don't think much of it
My days belong to you
If you're kind, my nights can too

It's just a habit
It's just a habit
It's just a ha... ..bit

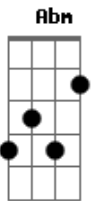

(Gb A E)
