

LP - Free To Love

Tom: G

Hoooooah ohhoah, hoooooah ohhoah
Hoooooah ohhoah, hoooooah ohhoah

Oh say what you wanna say, nothing's ever gonna change
Everybody's going away sometime

Boredom and monotony, virtual lobotomy
Everybody's looking to save their minds, but I

I don't wanna be part of mediocrity
Cause all I see is one big plague, and I

Only want the truth, hold it like the flame of youth
and don't let go oh

All I need is you
All I need is you

Ooooooh ohhoah the day has come, the day has come
Ooooooh ohhoah we're free to love, free to love
And I, (hoooooah ohhoah) I'm ready to ride, (hoooooah ohhoah)
With you, (hoooooah ohhoah), you make me alive, alive

Oh yeah, the walls are caving in (...ving in, ...ving in)
Would it be off to say we won't be home again? (...again, ...again)

Drowning in a sea of heartache and hypocrisy
I thought I'd be the one that unscathed
But I was wrong, oh-oh oh-oh, yeah, I was wrong

All I need is you
All I need is you

Ooooooh ohhoah the day has come, the day has come
Ooooooh ohhoah we're free to love, free to love
And I, (hoooooah ohhoah) I'm ready to ride, (hoooooah ohhoah)
With you, (hoooooah ohhoah), you make me alive, alive
(G C G)

Hold me, and then I can't fall again, I can't fall again
Hold me, and then I can't fall again, I can't fall again

Ooooooh ohhoah the day has come, the day has come
Ooooooh ohhoah we're free to love, free to love
And I, (hoooooah ohhoah) I'm ready to ride, (hoooooah ohhoah)
With you, (hoooooah ohhoah), you make me alive, alive
And I, (hoooooah ohhoah) I'm ready to ride, (hoooooah ohhoah)
With you, (hoooooah ohhoah), you make me alive, alive
