

LP - Hey Nice To Know Ya

Tom: **G**

It's been long, long drawn **C**

Got my heart broke in the car **C**

Parked outside the minibar **C**

Oh whoa, lord **C**

It took me months to lose the pain **C**

Now, I only take the train **C**

Oh whoah, yeah yeah **Am F C C**

It's been dark, so dark **Am F**

I saw that dress you used to wear **C**

In a picture on his chair **C**

Oh, whoah, man **Am F**

That one time I saw his face **C**

I knew he'd try to take my place **C**

Oh whoah, yeah yeah **Am F C C**

Hey, nice to know ya **Am**

Hey, nice to know ya **F**

Hey, nice to know ya **C**

Hey, nice to know ya **F**

Should've been a martyr **Am**

Not a firestarter

Burnin' down the circus **F**

Don't know how to work this out **C**

(Hey, nice to know ya, hey, nice to know ya) **C**

Started out a novice **Am**

Finished like an artist

Crashin' like a party **F**

Cryin' in the lobby, oh **C**

(Hey, nice to know ya, hey, nice to know ya) **C**

It's been hard, so hard to know **Am F**

You're out there on the street **C**

I could only hope we meet **C**

Oh, oh my **Am F**

It's a bird's walk to be sure **C**

Will they ever find a cure? **C**

Oh whoah, yeah yeah **Am F C C**

Whoa (Hey, nice to know ya, hey, nice to know ya) **Am F**

Yeah (Hey, nice to know ya, hey, nice to know ya) **C**

Hey, nice to know ya **Am**

Hey, nice to know ya (Woo woo) **F**

Hey, nice to know ya **C**

Hey, nice to know ya **C**

Whoa (Hey, nice to know ya, hey, nice to know ya) **Am F**

Yeah (Hey, nice to know ya, hey, nice to know ya) **C**

Whoa (Hey, nice to know ya, hey, nice to know ya) **Am F**

Yeah (Hey, nice to know ya, hey, nice to know ya) **C**

Should've been a martyr **Am**

Not a firestarter

Burnin' down the circus **F**

Don't know how to work this out **C C**

Started out a novice **Am**

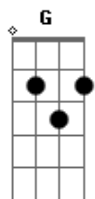

Finished like an artist

Crashin' like a party **F**

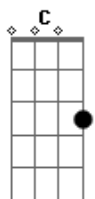

Cryin' in the lobby, oh **C**

You know it's been hard **C**
