

LP - Levitator

Tom: G

Baby I'd be lost today
Like some wreckage from hurricane
Cast awa- a- a- ay
A cast awa- A- A- ay
You went and put my on a higher stage
Made me want to go and live again
Not afra- a- a- aid
I'm not afra- a- a- aid
Ooo- ooo- ooooh
I give it all to you ooo- oooh
Its in the way you love me, love me baby
You lift me up and levitate me, save me
Ooo- ooo- ooooh
I give it all to you ooo- oooh
Cause every time you touch me yeah it takes me
To another world you elevate me
Levitorator, levitorator
You're my levitorator, levitorator
Like the legend of a pot of gold
A rainbow led me to your soul
Go- o- ld
All I can ho- o- o- old
You bring me to a higher place

And leave me in a state of grace
Ho- o- ome
You take me ho- o- o- ome
Ooo- ooo- ooooh
I give it all to you ooo- oooh
Its in the way you love me, love me baby
You lift me up and levitate me, save me
Ooo- ooo- ooooh
I give it all to you ooo- oooh
Cause every time you touch me yeah it takes me
To another world you elevate me
Levitorator, levitorator
You're my levitorator, levitorator
[Instrumental]
Ooo- ooo- ooooh
I give it all to you ooo- oooh
Cause every time you touch me yeah it takes me
To another world you elevate me
Levitorator, levitorator
You're my levitorator, levitorator
Levitorator, levitorator
You're my levitorator, levitorator
A great song by a great songwriter. This is my first tab,
dedicated to my
beautiful wife Stacy for our first wedding anniversary.
Peace,
Justin
