Another verse, another search for something holy

Another chance to make it right

No consequence in sight

You know it only feels like darkness

When the light doesn't shine on your side

You were the poet, I was the poem
Em
But were you mine, were you your own?
D C
Or were we fighting for our lives?
Em D C
It doesn't matter, we survived

[Refrão]

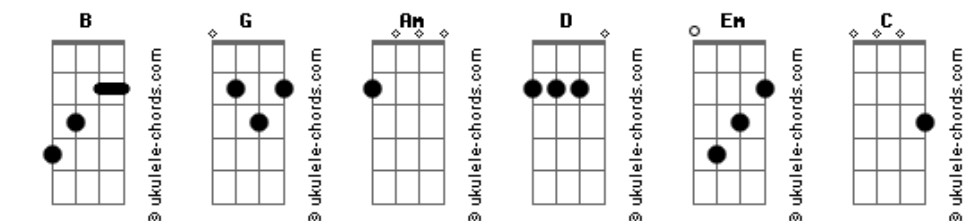

Am D Em
But if I could hav? one last time with you
Am D Em
I imagine all th? things we would do
D Am D G C
Love is in the words unspoken, all these moments are golden
Am D Em
Forever is mine with you

[Pos-Refrão]

Am D Em
I'd ask the past if nothing lasts, why don't you show me?
Am D Em

'Cause where there's love, there is loss
Em
And they hang on the cross

D
With another tale to tell
Em D C
And more wishes for the well

[Refrão]

[Final]

G D Em
You know it only feels like darkness
G Am Em
'Til somebody turns on the light
G D Em
I'd live it all once again with an alternate end
Em D C
And I'd pay the highest price
Em D C
To hold you one last time
