[Primeira Parte]

Another verse, another search for something holy

Another chance to make it right

Oh when it's young and it's fun

There's nothing lost, nothing won

No consequence in sight

You know it only feels like darkness

When the light doesn't shine on your side

You were the poet, I was the poem

But were you mine, were you your own?

Or were we fighting for our lives?

It doesn't matter, we survived

[Refrão]

But if I could hav? one last time with you

I imagine all th? things we would do

Love is in the words unspoken, all these moments are golden

Forever is mine with you

[Pos-Refrão]

La-la-la-la, la, la, la, la-la, la-la, la

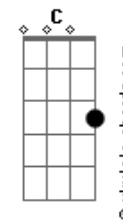

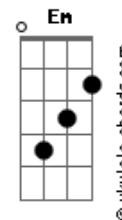

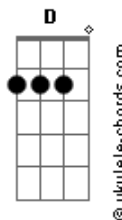

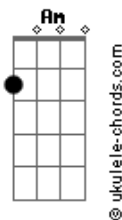

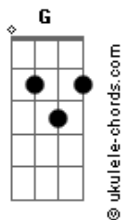

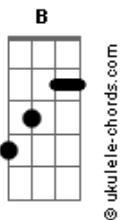

La-la-la-la, la, la, la, la-la-la

La-la-la-la, la, la, la, la-la, la-la, la, la

La-la-la, la-la, la

[Segunda Parte]

## Acordes

I'd ask the past if nothing lasts, why don't you show me?

But I'm afraid to scare myself

'Cause where there's love, there is loss

And they hang on the cross

With another tale to tell

And more wishes for the well

[Refrão]

But if I could hav? one last time with you

I imagine all th? things we would do

Love is in the words unspoken, all these moments are golden

Forever is mine with you

[Pos-Refrão]

La-la-la-la, la, la, la, la-la, la-la, la

La-la-la-la, la, la, la, la-la-la

La-la-la-la, la, la, la, la-la, la-la, la, la

La-la-la, la-la, la

[Refrão]

But if I could hav? one last time with you

I imagine all th? things we would do

Love is in the words unspoken, all these moments are golden

Forever is mine with you

[Final]

You know it only feels like darkness

'Til somebody turns on the light

I'd live it all once again with an alternate end

And I'd pay the highest price

To hold you one last time
