

# LP - Road To Ruin

Tom: **G**  
Intro: **G** **Am**  
**G** **Am**

**G**  
I used to hear the silence, I used to hear the chime  
**Am** **Em**  
Way down in the gold mine, I could see a light shine  
**G**  
Now I don't even notice, The water from the wine  
**Am** **Em**  
With a frozen conscience, In a fallow mind

**C** **G**  
Yeah, I'm going away  
**C** **Em D**  
Just a little each day and I  
**C** **G**  
Yeah I burn with desire  
**Am**  
I can't wait anymore  
**D**  
I'mma go ..out.. on fire

**G**  
Down and down again  
**Bm**  
We're on the road to ruin  
**Em**  
But I've still got some love to make  
**C**  
And I've still got a heart to break  
**G**  
Oh, I'll never understand  
**Bm**  
But I still wanna hold your hand  
**Em**  
We're on the road to ruin  
**C** **G**  
Oh will we ever get home again?  
**Bm** **Em C**  
Ooh - oh, ohh, ohh we're on the road to ruin  
**G** **Bm** **Em C**  
Ooh - oh, ohh, ohh we're on the road to ruin

( **G** **G** )

**G**  
A complicated wildness, waist deep in the soul  
**Am**  
Never brought you any kindness  
**Em**  
Couldn't get you their home  
**G**  
Bed barren and stolen, Headlights in your eyes  
**Am**  
Oh couldn't make you stay golden  
**Em**  
Couldn't stall your demise

**C** **G**

Yeah, I'm going away  
**C** **Em D**  
Feels like a little more every day and I  
**C** **G**  
And I don't wanna let go  
**Am**  
So I'll hold on to war  
**D**  
And let blood on the floor, yeah

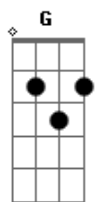

**G**  
Down and down again  
**Bm**  
We're on the road to ruin  
**Em**  
But I've still got some love to make  
**C**  
And I've still got a heart to break  
**G**  
Oh, I'll never understand  
**Bm**  
But I still wanna hold your hand  
**Em**  
We're on the road to ruin  
**C** **G**  
Oh will we ever get home again?  
**Bm** **Em C**  
Ooh - oh, ohh, ohh we're on the road to ruin  
**G** **Bm** **Em C**  
Ooh - oh, ohh, ohh we're on the road to ruin

**D** **G** **C** **Am**  
Just tell them we were gold once  
**D** **C** **C**  
So gold  
( **G** )

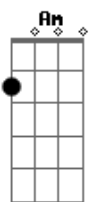

**G**  
Down and down again  
**Bm**  
We're on the road to ruin  
**Em**  
But I've still got some love to make  
**C**  
And I've still got a heart to break  
**G**  
Oh, I'll never understand  
**Bm**  
But I still wanna hold your hand  
**Em**  
We're on the road to ruin  
**C** **G**  
Oh will we ever get home again?  
**Bm** **Em C**  
Ooh - oh, ohh, ohh we're on the road to ruin  
**G** **Bm** **Em C**  
Ooh - oh, ohh, ohh we're on the road to ruin

[Final] **G**
