Cut right to the chase and
Choose your words to make it clear to me
You seem so heaven sent but
Somehow I still invent the fear in me

A lie is just a lie
A cry is still a cry
The past becomes the crime in my mind

Suspicion, suspicion
How you've changed my heart
Suspicion, suspicion
Unchain my heart

Crippled cruel emotion
Enough to make an ocean turn to green
The silliest of notions
Why Romeo took potion basically

To be or not to be

To cheat or not to cheat

Believe or not believe that you're mine
Suspicion, suspicion
How you've changed my heart
Suspicion, suspicion
Unchain my heart
Suspicion, suspicion
How you've changed my heart
Suspicion, suspicion
Unchain my heart

Anywhere you go all roads still lead to
It's harder than you know to be led back to

Suspicion, suspicion
How you've changed my heart
Suspicion, suspicion
Unchain my heart
Suspicion, suspicion
How you've changed my heart
Suspicion
Unchain my heart
