Intro: **Abm Gb B Gb Dbm Abm Eb**

Abm **Gb B**
Hold on, I know you're scared

But you're so close to heaven

Dbm
Eyes shut tight

Ebm
Just pretend you're like a feather

Abm **Gb B**
Flew down the clouds together

But don't look down, not ever

Dbm
Don't ask why

Ebm
Just look out onto forever

Abm
All this time

Abm
You're just tryin' not to lose it

Abm
You can always learn to fly

Abm
You never do until you do it

E
Up high in the middle of nowhere

Dbm
Don't know but you know when you get there

B
Walk slow and low on a tightrope

Abm
Hope it lasts but you know, you never know

E
Take a chance we can dance up in mid-air

Gb
Feel so good, I could die, but I don't care

B
Walk slow and low on a tightrope

Abm
Hope it lasts but you know, you never know

E
Take a chance we can dance up in mid-air

Gb
Feel so good, I could die, but I don't care

B
Walk slow and low on a tightrope

Abm
Hope it lasts but you know, you never know
