

# LP - You Want It All

Tom: G

We been on this roundabout <sup>E</sup>  
 Swimming in these fields of doubt <sup>E</sup>  
 But there is no time now <sup>E</sup>  
 The rain is coming down <sup>E</sup>  
 So prepare for war <sup>Dbm</sup>  
 You can't run that far <sup>A</sup>  
 You got to stand your ground <sup>E</sup>  
 There's no more days to count <sup>E</sup>  
 ( E Dbm E Dbm )  
 I was there for you <sup>E</sup>  
 I'd have died for you <sup>E</sup>  
 I changed my life for you <sup>E</sup>  
 But you couldn't keep it true <sup>E</sup>  
 You'll never know how hard <sup>Dbm</sup>  
 I hit the ground that day <sup>A</sup>  
 The changing of the guard <sup>E</sup>  
 The bitter taste it gave <sup>E</sup>  
 Winds are starting to blow out there <sup>Dbm A E</sup>

It's only yours if you run for it <sup>Dbm A E</sup>  
 Sow that seed with no regrets <sup>Dbm A E</sup>  
 Gets so hard when you know you want it all <sup>E</sup>

It's in your poetry <sup>E</sup>  
 I knew you'd come for me <sup>E</sup>  
 And all the subtleties <sup>E</sup>  
 Of what was meant to be <sup>Dbm</sup>  
 You could hear the call <sup>A</sup>  
 When you jumped to fall <sup>E</sup>  
 Just remember now <sup>E</sup>  
 It's 'cause you want it all

Winds are starting to blow out there <sup>Dbm A E</sup>  
 It's only yours if you run for it <sup>Dbm A E</sup>  
 Sow that seed with no regrets <sup>Dbm A E</sup>  
 Gets so hard when you know you want it all <sup>E Dbm A</sup> woo-oooh  
 You want it all <sup>E Dbm A E</sup>  
 B A Dbm Dbm  
 Wooo  
 ( B A Dbm A )  
 You want it all <sup>E Dbm A</sup>
