

Luan Helder - Timidez

tom:

G

Todo dia eu fico te olhando

Às vezes fico me perguntando

E será que ela me olhou me reparou?

Às vezes fico imaginando

O que será que ela tá pensando?

Será que pensou em mim?

Bm Em D

Já faz tempo que eu "tô" te filmando

Querendo te conhecer

Passei a madrugada ensaiando

Mas a minha timidez não deixa te dizer

[Refrão]

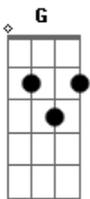

Te amar me faz sonhar, suspirar, me perder

Tô querendo te ligar, te encontrar, te dizer

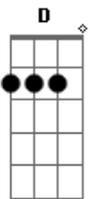

Que eu não posso esperar, quero te conhecer

Mas não consigo chegar pra falar com você
