

Luana Fernandes - Histórias

Tom: **Bb**
Intro: (**Bb7** **F/7**) 4X

(**Bb7** **F/7**)
As histórias de tua vida ninguém pode ver
Se foi bom ou foi ruim não interessa mais
Eu também trago comigo coisas pra contar
Nem por isso grito ao mundo tudo que vivi

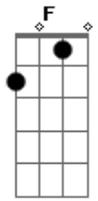

Eb7 **F** **Dm** **Gm**
Quando te toquei minha pele quase incendiou
Eb7
Teu olho disse meu amor
Ebm **B7** **Fm** (**E7** **Bb7**)
Pra nós a vida começou

Eb7 **F** **Dm** **Gm**
Eu sou mais você e agora chegue junto a mim
Eb7
Bebo este vinho meu amor
Ebm (**Bb7** **F/7**)
O gosto que ele tem é seu

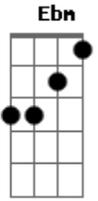

(**Bb7** **F/7**)
Rolamos duna abaixo naquele verão
No inverno o frio e o vento viram, coisas mil
Não restam mais palavras pra te convencer
O que existe entre nós o mundo inteiro vê
