

Luana Fernandes - Jaqueta Preta

Tom: **G**
Intro: **Bm E7 F7 Bm C7- Bm**

Baby

Eu nunca quis o teu amor

Porque é uma incerteza

É a pura vaidade

Da minha consciência

E do meu prazer

Você bem sabe como eu sou

Não vou chorar depois do fim

Nem escrever versos de dor

Só vou vestir minha jaqueta preta

Me camuflar na escuridão
(2x)

Mas não se conforme meu amor

Com as minhas mentiras

Essa insegurança

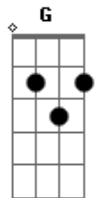

Que me impede de te dizer

Que eu... que eu nunca quis o teu amor

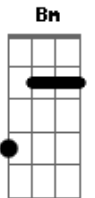

uu... ahahahahha

Uuuuu
