

Luca Argel - Primeiro Mar

tom:

O primeiro mar de todo mundo
Fica dentro de uma mulher
E no seu olhar fica o segundo
De onde ninguém sai porque quer

Onde escondi a minha voz
E en_____trei
Onde perdi a conta
Das ondas que afaguei

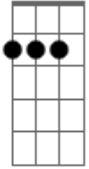

Sem lhe estender a mão

O primeiro mar de todo mundo
Fica dentro de uma mulher
E no seu amor fica o segundo
De onde ninguém sai porque quer

Pra onde haveremos de voltar
Sempre outra vez
Onde não fecha a porta
Pudéramos agora
?Navegar pra trás
