

# Lucas Callut - After You

Intro: F Dm Am Bb

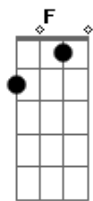

F  
I met you  
At the first time  
Yes, I saw  
The Moon lives in your eyes  
F  
I remember  
Your sleepy face  
Disarmed me  
I've opened my heart to dream

G C  
My life is changing  
After you

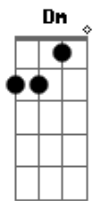

Interlude: Am Dm Bb

F  
I'm inviting you  
Come along  
I've got a blank space  
Free to be loved  
I wasn't  
Prepared  
To be surprised  
To be surprised

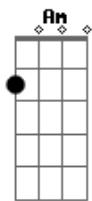

G C
