

Lucas Estrada - By Your Side

tom:

Intro: **Bm** **G** **A** **D** **A**
Bm **G** **A** **D** **A**

Bm
Thinking about what we had together
D
And all the things that I said
Bm **G** **A** **D**
Been sleepless at too many motels lately
D
Can't get you out of my head

[Refrão]

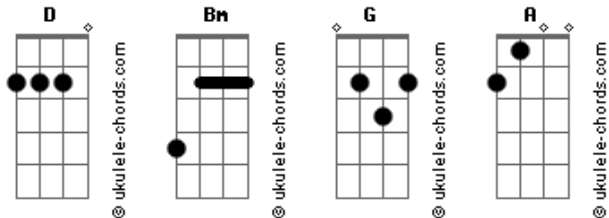

Bm **G** **A**
'Cause I've been driving highway one
A **D** **A**
You know that I will take my chance with you
Bm **G** **A**
And now I see the sun, it's alright
A **D** **A**
I wanna spend my days with you, by your side

(**Bm** **G** **A** **D** **A**)
(**Bm** **G** **A** **D** **A**)

Bm **G** **A** **D**
Memories fade and our life keeps changing
D **A**
I wonder, are you the same?
Bm **G** **A**
Been trying to run away for so long
D **A**
Guess that I was wrong

[Refrão]

Acordes

Bm **G** **A**
'Cause I've been driving highway one
A **D** **A**
You know that I will take my chance with you
Bm **G** **A**
And now I see the sun, it's alright
A **D** **A**
I wanna spend my days with you, by your side
