Vou dobrar os meus joelhos
 Derramar meu coração
 Contemplar a tua face
 E ouvir a tua voz

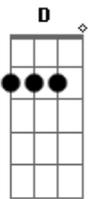

Vou dobrar os meus joelhos
 Derramar meu coração
 Contemplar a tua face

Sentir tua presença
 Ainda que eu não veja
 Os teus olhos

E não ouça a tua voz
 E não ouça a tua voz

Todavia esperarei em ti
 Porque bem sei
 Que tu és bom Senhor

Para a alma que espera em ti
 Para a alma que espera em ti
 Para a alma que espera em ti
