

# Lucas Mayer - A Bird With No Feet (part. Dan Elliott e Carlinhos Cruz)

Tom: **D**

It's a sunny day here by the sea

I'm here to see her flying over me

I know her wings are green

How could she be so mean?

Can she see me eyeing her from down here?

I'll build wings of feather and leaves

I want to see her flying next to me

And I'll get so close, like it's was suppose to be

Meanwhile I watch her

A bird with no feet

Sleeps in the wind

A bird with no feet

Sleeps in the wind

And if I bought myself a thousand balloons

They could get me closer to the moon

And then when the night comes out

She would be so proud

Wishing the sky would be my ground

A bird with no feet

Sleeps in the wind

A bird with no feet

Sleeps in the wind

Otherwise, I'll climb up on a cliff

It's not enough I'll try another trick

With giant chair

Then I'll meet her there

And the sun will fall in love astray

A bird with no feet

Sleeps in the wind

A bird with no feet

Sleeps in the wind

A bird with no feet

Sleeps in the wind

A bird with no feet

Sleeps in the wind

( Bm Gbm )

Tira o pé dai e deixa o mar te ver

Hoje pode estar aqui, amanhã cadê você?

Diz pra mim onde você quer sentar

Eu vi, dá sim, você pode escolher o seu lugar

Tira o pé dai e deixa o mar te ver

Hoje pode estar aqui, amanhã cadê você?

Diz pra mim onde você quer sentar

Eu vi, dá sim, você pode escolher o seu lugar

Aaaaaaaaaaaaaah

Aaaaaaaaaaaaaah

A bird with no feet

Sleeps in the wind

A bird with no feet

Sleeps in the wind

A bird with no feet

Sleeps in the wind

A bird with no feet

Sleeps in the wind
