

Lucas Mayer - Full Moon

Tom: **A**

A
So shy she moves us

D
Deep inside the woods

A
While the whole world stares

D
She blushes timidly

E **Gbm**
It's the clouds that are blemishing her skin

D **E**
And blurring my sight

E **Gbm**
And when all I want is to watch her

D **E**
She finds a place to hide

A
Full moon

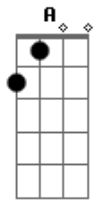

Db **Gbm**
Wake me up when the sun goes down

Db7 **D** **D(dim)** **A**
So foolish to miss a chance to be with you

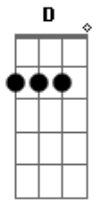

Db **Gbm** **Db7**
Wake me up when no one is around to see

D **F** **A**
That I'll sitting here till you fall into the sea
