tom:

Intro: **A** **E**  
**A E B A E D Db A**

**A**  
Hold your head up, look into my eyes, Life is so beautiful to  
be crying

**E**  
Listen the rhythm of this song, Never mind that and just come  
on

**A**  
Move your body, put a smile, Enjoy the moment, it's time to  
shine

**E** **B**  
Feel the grave, change your mood, This dance comes from soul  
and

**E** **D Db**  
It's named blues

**A**  
And I can prove to you  
When I say "comes from soul"

**E**  
B.b. King has been showed us  
Lovely songs almost no words

**A**  
King of blues, thrill is gone  
But we'd never been alone

**E** **B** **A**  
And about Jimi Hendrix, all of this songs comes from soul and  
It's

**E** **D Db**  
Named blues

**Gbm** **Bm** **Abm** **A**  
Blues is in the world, in the sea, in the sky

**E** **Bm**  
That cover life. Blues is boy, blues is

**Abm** **A** **E**  
Brother's, blues is son and mother

**A**  
How is good it's to play blue, In Alabama or Chicago

**E**  
Who knows can I have the pleasure, And knocking knocking on  
heaven's door

**A**  
And even more blowing the wind, Besides Mr. Tambourine

**E** **B** **A**  
All this comes to joy us, And lives deep in ours souls, this  
is

**E** **D Db**  
Blues

**Gbm** **Bm** **Abm** **A**  
Blues is in the world, in the sea, in the sky

**E** **Bm**  
That cover life. Blues is boy, blues is

**Abm** **A** **E**  
Brother's, blues is son and mother

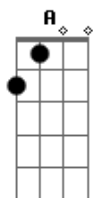

**Bm** **Abm** **A**  
Blues is Louis, blues am I, make us strong

**E** **Bm** **Abm**  
And survive. Blues is simple, blues is health

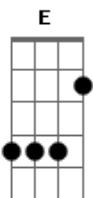

**A** **E**  
Only tears of happy

( **A** **E** )  
( **A** **E** **B** **A** **E** **D** **Db** **A** )
