Wind blows my hair and polishes my face

With eyes open to world I see what I can make

Everything on this day smells a special arabic coffee

Em G  
At home I feel safe and I keep going away  
Bm A  
Aware of myself and doing what I say  
Em G  
Here I find all I need from a simple room to work  
Bm A  
To a white sand beach on which I can go

Em G  
And even some places that I can do a show

After eating a meat with family, friends and who knows  
Em G  
Good vibes reigns my home and set the rules to us

But the rules are simple, you just have to do

The single rule is that you have to have fun
