

Lucas Mota Freitas - Left And Right Eyes

tom:

Intro: A D A

A
Has someone ever wondered why we have
D A
Two eyes? It means we should see things
E Dbm
From both sides. Make a choice, choose the
D A
Best of your eyes

A D
May be good or bad, may be black or white
A
Right can be in the left and wrong can be in
E Dbm
The right take care of your eyesight, when
D A
We see all of one, we're blind

A D
We have to enlarge the view or we gonna die
A
A lot of missed chances that will make
E Dbm D
Us cry, that's why we have both to keep us
E A
Alive

Dbm Bm Dm
Open your eyes, to see the world you need of light
A Dbm Bm Dm A
Choose the side left and right, this is life
Dbm Bm Dm
Open your eyes, to see the world you need of light
A Dbm Bm Dm

Choose the side left and right, this is life
(A D)
