Fadd9
The ocean holds unimaginable secrets
C
And treasures in the human mind
Em Am
It keeps human history alive
Fadd9 C
It gives life to future generations
Em
They say that everything we know
Am
Is like a drop in the ocean

Dm Am
So imagine the possibilities it hides
C
Another world below water full of
G Dm
Beauty, energy and life. When everythin
Am
Was water it gave us the chance and
C G
From there we must get everything

C Dm
Life is in the wind that blows waves
G C
Current movement has its own compass
F C
Even the tide is low or madly high
G C
Moon keeps maintaining the waves alive

C Dm
Fishes swimming hard from the foam
G C
And crabs running fast for their homes
F C
The storm that moves the ocean's life
G C
Is needed to keep all working fine
