

# Lucas Paiva (Scape) - 10 Years From Now

tom:  
Capo: B (forma dos acordes no tom de A )  
Intro: G C C D G

It's dark  
Time for my mind to work  
As much as I try to  
I don't write in daylight  
And faith is not written for me  
I'm sure I'll have time  
To throw that suit from me

This isn't the way  
That's supposed to be  
Talk to his face  
Take a chance on your dream  
'Cause running through life  
Won't get you that far  
10 years from now  
You'll be wondering why  
Ohhhh

By the pool it's so nice and quiet  
But in the back of my head  
these shapes keep calling me  
Oh life you're too good for me  
I still wanna find

A story to be  
This isn't the way  
That's supposed to be  
Talk to his face  
Take a chance on your dream  
'Cause running through life  
Won't get you that far  
10 years from now  
You'll be wondering why  
Ohhhh

And I don't  
I don't wanna go inside  
'Cause joy is upon us  
With its yellow lights  
This isn't the way  
That's supposed to be  
Talk to his face  
Take a chance on your dream  
'Cause running through life  
Won't get you that far  
10 years from now  
You'll be wondering why  
Ohhhh
