

Lucas Paiva (Scape) - Sing For You

tom:
Capostrate na 6ª casa

C
Break my heart girl
Break my soul
G
Waste your time with me
Then go home
Am
Blackbirds sing and talk to each other
F **G** **C**
About love and one and another

Am
I will never be the perfect man
I wanna be
F **G**
And see the light in yours eyes every time
C
And at the day I'm old
Am
The thoughts of lust
Will all be gone

F
And she'll arrive
C **G**
With a note saying hi
Am **G** **F** **C** **G**
And I will hold on to you

C
Break my heart girl
Break my soul
G
Waste your time with me
Then go home
Am
Blackbirds sing and talk to each other
F **G** **C**
About love and one and another
Your mouth told me
Don't wanna kiss you
G
But when I got close
Lakes grew within us
Am
Drowning out the guy
You forgot love

F
Two weeks left
G **C**
And I want to sing for you

And man, she will be nice
Am
She'll scratch my back
Every night

F **G**
Just like mom used to do when I woke

C
And carry out the guns
Am
I never bought
F
Or was afraid to ask for
C **G**
Oh I never drew a line

Am **G** **F** **C** **G**
And I will hold on to you

C
Break my heart girl
Break my soul
G
Waste your time with me
Then go home
Am
Blackbirds sing and talk to each other
F **G** **C**
About love and one and another
Your mouth told me
Don't wanna kiss you
G
But when I got close
Lakes grew within us
Am
Drowning out the guy
You forgot love
F
Two weeks left
G **C**
And I want to sing for you

G **Am**
Yeah, sing for you
F
Oh sing for you
C
I sing for you
