

Lucas Prett - So Easily

tom:

C

I like boys and girls

I don't kiss and tell

I'm not doing well without you

Let's get on a plane

I don't know your name

But I'd go to Spain with you

Cus I like the way you look

And the way you look at me

I get so excited, heart beats louder

And it's hard to breathe

I get so carried away

Picturing how it'll be

I am hopelessly romantic

So don't put your hope on me

I do this every time

I must be out my mind

I fall in love so easily

But you don't fall for me

(C7M Am7 F7M)

And i've been Feeling like this, I wanna go home

Why do you make me feel so alone

This big city might be way too big for me

Feeling like this shouldn't go on

I should just stop forget and move on

I want you so bad, I forget to sleep

Cus I like the way you look

And the way you look at me

I get so excited, heart beats louder

And it's hard to breathe

I get so carried away

Picturing how it'll be

I am hopelessly romantic

So don't put your hope on me

I do this every time

I must be out my mind

I fall in love so easily

But you don't fall for me

I do this every time

I must be out my mind

I fall in love so easily

But you don't fall for me
