

# Lucas Savini - EMPTY

tom:

G

Just seeing it dark  
 Far away from my side  
 Belongs to an empty house  
 But how does care  
 Hearing not vibes enough  
 This empty and dead  
 Don't look at me with this eyes  
 This is scaring me to death  
 Many times I don't feel alive  
 This is empty and dead  
 Look like an zombie life  
 Walking and dead  
 This is empty and dead

G C  
 Empty and dead

G C  
 Look away from my  
 Fight to feel alive

 Surviving this night and I  
 Was fighting for feel alive  
 G C  
 No motivation instead

 Maybe just being

 What they think of me
