

Lucas Soares - Tears

Tom: C

On the stones he could walk for me

From the beginning I'm yours

So great is your love for me

How many times have you seen me cry

Base: Am C Em E F
Solo 5x: Am C D D

The tears in my eyes come to dry

Your blood freed me

In your arms I find my home

For such a love, my love to me.

I could not explain!
