

Lucia Turnbull - Luminosa

Tom: C

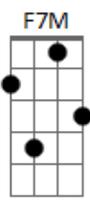

Luminosa, Via Láctea
 Um luar de prata sobre os campos de algodão
 Sempre viva, estrela guia
 Nos meus pés deixando as marcas pelo tempo e o chão
 Aquela canção ingênua no ar

Um jeito tão inocente
 De não se prender ao medo de ser tão somente gente e cantar
 O coraçãozinho bobo na boca
 A voz insegura e rouca
 Dizendo as bobagens lindas que eu sempre quis escutar
 Pra sonhar e poder caminhar
 Luminosa
