D7M G7M D7M
G7M
We were ring-around-the-rosey children, they were circles
around the sun
Bm Em A7 Em Em A7
Never give up, never slow down, never grow old, never ever die
young

D7M G7M D7M G7M
Synchronized with the rising moon, even with the evening
star

A7 Bm Em A7 D7M Em Em
They were true love written in stone, they were never alone,
they were never that far apart

(G7M A7)

Em Em Em A7 Em Bm A7 Bm
And we who couldn't bear to believe they might make it, we got
to close our eyes

Em Em A7 Bm Em Em A7
Cut up our losses into doable doses, ration our tears
and sighs

G7M D7M G7M D7M
Oh, you could see them on the street on a saturday night.
everyone used to run them down

Em A7 Bm Em A7 Em
They're a little too sweet, they're a little too tight, not
enough tough for this tough town

D7M G7M D7M G7M
Couldn't touch them with a ten-foot pole, no, it didn't seem
to rattle at all

Bm Em A7 Em Em
A7 D7M
They were glued together body and soul, that much more with
their backs up against the wall

Bm Bm Bm Bm Bm
Oh, hold them up, hold them up,
never do let them fall

Bm Bm Bm Bm Bm
Prey to the dust and the rust and the ruin that names us and
claims us and shames us all

[Solo] Em A7 Bm

D7M G7M D7M
G7M
I guess it had to happen someday soon- there wasn't
nothing to hold them down

Bm Em A7 Em
Em A7
They would rise from among us like a big balloon, take the
sky, and forsake the ground

D7M G7M D7M G7M
Oh, yes, other hearts were broken, i now, other dreams
ran dry

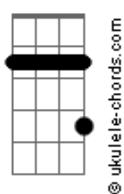

Bm Em A7 Em Em
A7
But our golden ones sail on, sail on to another land
beneath another sky

D7M G7M D7M G7M
(let other hearts be broken, let other dreams run dry)
Bm Em A7 Em Em A7
But our golden ones sail on, sail on to another land
beneath another sky
Beneath another sky

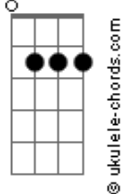

A7 G7M
Hold them up
Did you hold them up?
