

Luciana Souza - Never Die Young

Tom: G
Intro: D G A7 Bm Em A7
D G A7 Bm Em A7

D G D G
We were ring-around-the-rosy children, they were circles
around the sun
Bm Em A7 Em Em A7
Never give up, never slow down, never grow old, never ever die
young

D G D G
Synchronized with the rising moon, even with the evening
star

A7 Bm D A7 Em Em
They were true love written in stone, they were never alone,
they were never that far apart

(G A7)

Em Em Em A7 Bm A7 Bm
And we who couldn't bear to believe they might make it, we got
to close our eyes

Em Em A7 Bm Em Em A7
Cut up our losses into doable doses, ration our tears
and sighs

D G D
Oh, you could see them on the street on a saturday night.
everyone used to run them down

Em A7 Bm Em A7 Em
They're a little too sweet, they're a little too tight, not
enough tough for this tough town

D G D G
Couldn't touch them with a ten-foot pole, no, it didn't seem
to rattle at all

Bm Em A7 Em Em

A7 D
They were glued together body and soul, that much more with
their backs up against the wall

Bm Bm Bm Bm Bm
Oh, hold them up, hold them up,
never do let them fall
Bm Bm Bm Bm Bm
Prey to the dust and the rust and the ruin that names us and
claims us and shames us all

[Solo] Em A7 Bm

D G D G
I guess it had to happen someday soon- there wasn't
nothing to hold them down

Em A7 Bm Em A7 Em
They would rise from among us like a big balloon, take the
sky, and forsake the ground

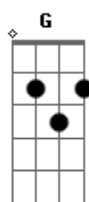

D G D G
Oh, yes, other hearts were broken, i now, other dreams
ran dry

A7 Bm Em A7 Em Em
But our golden ones sail on, sail on to another land
beneath another sky

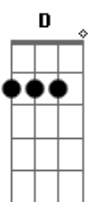

D G D G
(let other hearts be broken, let other dreams run dry)
Bm Em A7 Em Em A7
But our golden ones sail on, sail on to another land
beneath another sky

Beneath another sky
A7 G
Hold them up
Did you hold them up?
