

# Luciano Rennó - Vem Espírito Curar Meu Coração

tom: G

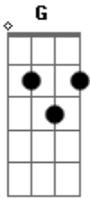

Vem Espírito, curar meu coração  
 Vem inflama-me com Teu sopro de amor

Toca e liberta minha alma  
 Quero ser livre, livre para Ti

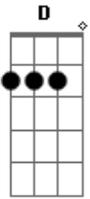

E voar com Teu sopro me leva  
 Para onde devo ir

Vem firmar meus passos  
 Na direção do pleno amor  
 Me faz voar como água  
 Subindo para o meu Senhor!
