

Lucius - White Lies

tom:
E

E
In the middle of the night

E7M
When you're in the dark

A
Do you think about me and you

And why it wasn't ours?

E
But we could turn the lights down

E7M A
If you wanna see what it's like to turn every moment into a
memory

Gbm B
I just wanna lie with you

Gbm B
Teach me how to bend the truth

E E7M
I don't wanna know the meaning, I just need you now

A
We both know how it ends, there's nothing to figure out

E7M
Do I really need a reason if I have no doubt?

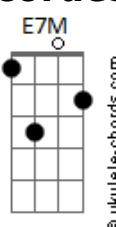

A
Until nothing is left, so let's just pretend for now

E
If you have to try to love me

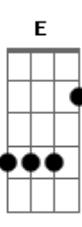

E7M
If that's the way it's gonna be

A
Well, at least we can have right now and it's bitt?rsweet
